The great relief is finding out that the hope is not deferred You do matter— already— without making one single change But everything changes when you let your Maker show you why you matter and how He can take all that concerns you and, sooner or later, here or ...

Introduction - Washington University in St. Louis

In many respects, the American Dream has been deeply rooted in the concept of a journey—the journey to a new country, the journey across generations, · and of course, the journey within one's life It is about motion and progress, it is about optimism, and it is about finding success and fulfillment along the way

The Journey

The Dream Finding and achieving the dream involves a journey where the person engages in an ongoing cyclical process until the dream has been realized The Journey The person is affected both positively and negatively by environmental factors outside the person, as well as factors within the person The factors mentioned
