The American Mountain Men's primary characteristic is, first and foremost, to be a Brotherhood of Men. In this fraternal concept is embedded the desire of all its members to teach, share, and learn the arts and skills of the original American mountain men, but deeper still, is the desire to be upon the trail, on lake or river, in mountains, plains or woods, as brothers, sharing this great experience.

"Men of Lake" is filled with a vintage atmosphere due to the heavy use of keyboards and especially the Hammond organ. All tracks follow a slow- or mid-tempo, characterized by the intense vocals of Maurizio Poli (in English and non-accented), the psych 70's sounding guitars of Rene Modena (of Runaway Totem fame) and the swirling sounds of the Hammond organ. Actually the album is definitely song-based with no room for really complex musicianship, though its dark atmosphere is superb and thrilling ...
