Lack of decent work results in poverty as well as limited access to basic human rights including food, water, health care, and education. Many low-wage jobs threaten workers' overall health and wellbeing through occupational hazards, workplace abuse, and long-term toxic exposures. Globally, 152 million children participate in child labor. This challenge promotes decent work that allows for ...

Because of differences in culture, personality, or both, business persons appear to approach deal making with one of two basic attitudes: that a negotiation is either a process in which both can gain (win-win) or a struggle in which, of necessity, one side wins and the other side loses (win-lose). Win – win negotiators see deal making as a collaborative, problem-solving process; win-lose ...
